Some cheap shots here and there...

Event report from Blossom 46

A bit of humour..(debatable!)

And some more.....read on!

by Robert Boniface

Not much racing has been going of late, so there isn't much to report on this month. The KartSport NZ Conference has been and gone, so once we make sense of all the changes etc, we'll let you know how this will affect us all. The biggest news out of

conference was the announcement (finally!) of the new Cadet and JR engine, which is the Vortex Kiwi Mini Rok as pictured above.

The Vortex engine is manufactured by the Italian OTK Kart Group SRL and will be represented in New Zealand by distribution agent Maurice Frost of Supreme Kart Supplies.

Specifications:

- Engine displacement 60cc
- Free air cooling
- Intake piston port
- 2 transfers inlet
- Exhaust without rib
- Coated piston
- Piston ring ac
- Silver plated cage d.18 mm
- Radial bearing C4
- Electronic ignition Selettra
- Centrifugal dry clutch
- Electric starter on board
- Dellorto PHPB 18BS carburettor

The new engine will be available for national competition from 01 July 2014. The old Raket 85 engine will be national championship recognised up until this point also and until 01 January 2015, from then on it can still be used for non-championship events and will only be able to be used for club days after 01 January 2016.

The JR Yamaha KT100cc engine will follow the same transition pattern, except it will be deleted completely from used from 01 January 2016.

This means the 2014 NZ Schools Championships and the 2014 Island Sprint Championships will have both the new & old engines running providing the minimum entry is met for each class respectively.

The respective Vortex Mini Rok options will run on alternate days at the 2014 NZ Schools Championships. The means the same actual engines could be used for both age groups. i.e. JR Mini Rok Saturday, Cadet Mini Rok Sunday.

Engine Q & A

Will I be able to import my own engines?

No. All engines will be supplied via the NZ Distributor and a register of engine numbers will be maintained by the NZ Distributor and KartSport New Zealand.

How much is the engine?

For the first 100 engines sold: \$2955.50 (incl. GST). From then on until 31-12-15: \$3070.50 (incl. GST). Future price movements for both the engine and all spare parts are subject to a contract between KartSport New Zealand/OTK Kart Group srl/Supreme Kart Supplies.

What is included in the price?

Electric start engine including exhaust pipe/header, clutch with guard, float

carburettor/fuel pump, intake silencer with foam filter, wiring loom with class specific electronic rpm limiter (Cadet 11,000 rpm & JR 14,000 rpm), battery and battery mount.

Where can I buy a new engine?

From your local kart shop providing it has a trading relationship with Supreme Kart Supplies.

When can I race the new engine?

From **01-01-2014**.

Will the engine fit my existing chassis?

Yes. It was a key criteria in the engine selection process that the new engine would be suitable for the current Cadet and Junior Restricted chassis stock.

Is it easy to convert the engine from Cadet to JR (and vice versa)?

Yes, very easy, any competent person can do it

What happens to my current Raket 85?

Once it no longer has Championship status it can be used at Non-Championship events **until 31-12-2015** and then **indefinitely at Club Days** only.

What happens to my current Yamaha JR engine?

From 01-01-2016 it will be ineligible for JR class competition. However your engine can then be converted to Junior/Senior Yamaha KT100 specification.

Will the new engine run within the existing age group classes?

The new engine will have its own specific class specifications respectively and at Championship events will run alone. However at Club and regional events both the old and new engines can run together, but be classified separately (eg Cadet Rok and Cadet Raket can run together).

Is there performance parity with the existing class engines?

While the respective performance of the new engine is similar to current class engines, the new engines will compete in their own **new classes**, so absolute parity is not a key requirement.

New Todd Energy Raceway logo

As per my email last month, the draft logo (below) has been created and some feedback on it would be good so we can finalise it and send it to Todd Energy and NPDC for approval.

Did you hear...?

- ☺ Apparently Mitch Baker's 21st birthday was a pretty wild event...hope you had a great night Mitch and that the cake made by Andrea Stewart tasted as good as it looked!
- ☺ We don't have a full time Race Secretary yet, as Chrissy deRidder is only helping out as required. If we can't secure a full time secretary we'll only be running "fun days"! If you're able to offer some help, please let someone on committee know as soon as possible.
- ☺ The troublesome lock on the track security chain is to be replaced at the end of the month. Apparently, the trick is to hold your thumb on the tumbler while using the key? Sorry for any agro this may have caused, the padlock will be sorted soon.
- ☺ Our "walk-about" podium has finally returned home. Saves us having to make a new one.
- ☺ Aaron deRidder finished 6th in Rotax Max Heavy at the Prokart Round at KartSport Auckland last weekend! Well done Aaron, looking forward to your event report! Great stuff.
- ☺ The World Marketing Manager of Tony Kart (Italy) will be making a visit to our little track on the September club day. Mario from Tony Kart's "mothership" is visiting New Zealand to sign the supply contract for the new Mini Rok engines and is keen to have a look at our facilities while here. A new variation of "Mario Kart" perhaps??

Monthly Caption Contest

Here's the August photo which received no captions....bugger!

This month's caption contest...

I'm sure you can all come up with something for this send them to me at htbauto@xtra.co.nz.

Birthdays for September

Bradley Podjursky	1 Sep.	13yrs
Peter Cottam	3 Sep.	63yrs
Kris Rasmussen	6 Sep.	36yrs
Hunter Cheetham	16 Sep.	12yrs
Chelsea Williams	19 Sep.	24yrs
Mitch Baker	19 Sep.	21yrs
Chad Northcott	19 Sep.	39yrs
Gregory Reardon	19 Sep.	45yrs
Ben Thom	20 Sep.	18yrs
De-anne Smith	22 Sep.	42yrs
Luke Vickers	23 Sep.	32yrs
David Sarten	27 Sep.	23yrs
Merv Hooper	28 Sep.	52yrs
Graeme Bridger	29 Sep.	56yrs
Karl Richmond	30 Sep.	38yrs

Happy birthday to these members!

Light-hearted humour....?

"Yes! That was very loud Mr. Trainer, but I said I wanted to hear your **HEART**!"

Our boat is far
more superior on
the water.....

Yeah Right.

Next Club Day: 29 September

Event: Round 4, Winter Series

Duty Class: Cadet, JR & Junior

Direction: Clockwise

Convenor(s): Mitch Day/ Ricky Paul

Race day sponsor :

(06) 758 8891

Maurice & Kane Frost

www.supremekarts.co.nz

Supreme Kart Supplies are proud to be the New Zealand distributor for Tony Karts and Vortex engines. Supreme Kart Supplies are also agents for Arrow karts and carry karting components for all major brands, plus karting apparel. For over 20 years they have serviced and rebuilt all classes of karting engines. Dyno services are available with the latest Land & Sea dyno. Supreme Kart Supplies utilises Intercomp kart scales for correct weight distribution and setup and have the experience and results to help you.

Editor: Robert Boniface

Thanks to all those who have supplied information for the newsletter...keep it coming if you want it to be a good publication. Photos of race-days, driver profiles, funny photos for captions are good please? Robert.

Presidents Report

Hi everyone,

Thanks to the good turnout we had at the AGM, we have a couple of new faces on committee and in pivotal roles, so we're optimistic these people can build on the momentum we have in place right now. I would again like to thank everyone on the committee for the huge effort in 2012/13 and am looking forward to working with you all to grow our great little club.

I would like to thank Maurice Frost of Supreme Kart Supplies for again putting his hand up as principal sponsor of the WPKA Goldstar series. This is a great series to do and I urge all our members to enter and complete the series. The racing is fantastic and the 4 tracks in the series each offer something a little different.

The next big meeting we have at Todd Energy Raceway is Round 4 of the Goldstar series in May 2014. To all those competitors intending to enter the North Island Championships in Wellington on Labour weekend, go hard and make us all proud! Based on current form of some of the members, we have a better than average chance of having drivers in the top 3 in many classes.

See you all on the 29th at club day, the numbers are getting better each month, so let's keep building on that.

Cheers for now....

Teri

Report from Blossom 46

Thomas Boniface, Matthew Podjursky, David Cox, Morgan Dietschin, Aaron Marr and Brad Still travelled to Hawkes Bay for Blossom 46 held on 7 & 8 September. Thomas had a solid weekend, but resisted running his best machinery, opting to save it for the upcoming North Island Championships next month. Unfortunately, Matt Podjursky had a weekend to forget and didn't feature in the results. David Cox drove well, but couldn't find the speed he was hoping for on either day. Morgan was involved in a day 1 incident and sustained a thumb injury which forced her to retire from day 2. Brad Still was battling the remnants of a severe virus and was not in his usual form. Aaron Marr drove well all weekend and ended up finishing second overall.

The results shaped up as follows:

Thomas Boniface (Cadet)	3rd
Aaron Marr (Yamaha Light)	2nd
Brad Still (Yamaha Light)	6th
David Cox (Rotax Light)	20th
Morgan Dietschin (RL)	21st

Well done to all, some good results for Taranaki..... Ed

More comic relief...

Tiger Woods turns to Stevie Wonder and says, "How's the singing career going?"

Stevie replies, "Not too bad. How's the golf?"

Woods replies, "Not too bad, I've had some problems with my swing but I think I've got that right, now."

Stevie says, "I always find that when my swing goes wrong, I need to stop playing for a while and not think about it. Then, the next time I play, it seems to be all right."

Incredulous, Tiger says, "You play GOLF?"

Stevie says, "Yes, I've been playing for years."

Tiger says, "But... you're blind! How can you play golf if you can't see?"

Stevie Wonder replies, "Well, I get my caddy to stand in the middle of the fairway and call to me. I listen for the sound of his voice and play the ball towards him. Then, when I get to where the ball lands, the caddy moves to the green or farther down the fairway and again I play the ball towards his voice."

"But, how do you putt?" asks Tiger.

"Well," says Stevie, "I get my caddy to lean down in front of the hole and call to me with his head on the ground and I just play the ball toward his voice."

Tiger asks, "What's your handicap?"

Stevie says, "Well, actually I'm a scratch golfer."

Amazed, Woods says to Stevie, "We've got to play a round sometime."

Stevie replies, "Well, people don't take me seriously, so I only play for money, and never play for less than \$10,000 a hole. Is that a problem?"

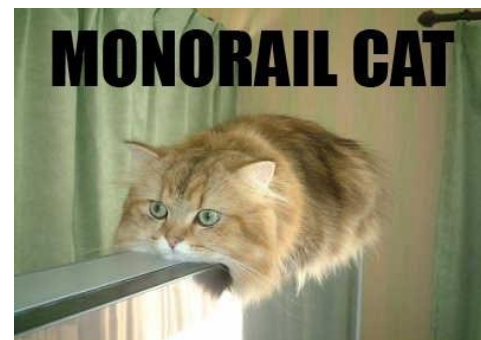

Woods thinks about it and says, "I can afford that; OK, I'm game for that. \$10,000 a hole is fine with me. When would you like to play?"

Stevie Wonder says, "Pick a night."

Technical Night

The club is arranging a "technical night" to assist those new to our sport to gain understanding of the basics of kart setup, maintenance, preparation and other stuff. The idea is to hold it one evening at Supreme Kart Supplies and to go over a few things to help you understand how these pieces of equipment are supposed to work. Once a date is finalised, an email will be sent to you all (those that receive this by email!) to let you know when it will happen.

Bring your kart if there is something burning you need help with and we may be able to collaboratively solve any issues you are having. There will be a hand-out for you to take away with some of the basics on it. Keep your eyes peeled for the date.

NZ SPRINT NATIONALS 2014 – Blenheim Kart track

KartSport Taranaki Resident Drivers Honours List

1993	M. Frost	New Zealand Champion (125N/125S)
1994	M. Frost	New Zealand Champion (125N/125S)
