Seems that this month there isn't a lot left for me to write about. Thanks to Nick Isaac for the following article on the most recent round of the Superkart series. And I had better thank Robert Boniface for his article on the recent and most successful Goldstar Championship round held at our home track here in Taranaki so I won't say too much other than happy reading.

### **BOYDE DOMINATES AT MANFIELD**

Taranaki's Logan Boyde continues on his march towards back to back Superkart series titles in the Rotax Max Light class following what can only be described as a complete master class from the current 3NZ at the 4th round of the Superkart series held at Manfield on the 5th of June.

Following a breakthrough season last year where he won the series in his first attempt, the quietly spoken mechanic has dealt to all-comers again so far this season and has to be the firm favourite to claim the top spot come the final round later in the year with convincing displays at every round so far. Last weekend saw him finish every race with a huge margin over the chasing pack. So much was his dominance that his smallest winning margin was over 8 seconds with 3 races being around 15 seconds. The chasing pack was led by Lee Sefton who had a fantastic day to deliver a 2nd placing for the round with Todd Jolly managing to edge out Matt Wallace by a single point for 3rd. In

what has come to be expected in the Superkart series, the pack racing has seen ultra-tight finishes and massive competitor and spectator satisfaction as a result. No-one can deny however that Boyde was in a class of his own once again.

The Rotax Max Heavy class is one which has the potential to go down to the wire this year. Thomas Batt had a breakthrough meeting at Manfield to grab a bunch of wins ahead of Teddy Bassick and also Mark Ongley who continues to look strong. If my memory is correct, I believe this was Batts' first round win if not race win which is a top effort. So far there's been 3 different round winners in the heavy class so with 2 rounds remaining it's hard to predict with any confidence how the placings will end up which is great for the series. Batt will be hoping to continue notching up race wins when the series returns to Manfield in August. The club saw 2 new faces join the class with Taranaki duo Stephen Beck and Duane Taylor making their Superkart debut. Beck had some excellent results for his first time on a "real" circuit and we hope to see them both returning. The round win went to Thomas Batt from Teddy Bassick and Mark Ongley rounding out the podium. The National 125cc class was relatively well supported again and true to form, the racing was close and fast! The class has its share of light and heavy competitors and although the light drivers do come out on top of the

points it's the close racing in amongst the heavier drivers which is great to watch and also be part of. Cameron Dance and Daryl Currie shared race wins with Dance taking 3 to Currie's 1. It was a bit of a procession up front with not a lot happening until the battle for the 3rd spot on the podium which saw another epic day of racing from Matt Barton, Darren Maguire and the Isaac brothers Nick and Dan. Dan managed to scrape home in races 1 and 2 from older brother Nick with Darren Maguire and the much improved Matt Barton very close behind and I mean close, the group separated by less than 0.3 seconds in both races. Race 3 saw both Isaac brothers parked up with separate issues to leave Barton and Maguire to battle it out for the 3rd spot. In the end, they couldn't be separated and were tied on points. The class continues to show it's a great way to go road racing with times not all that far off the 250cc karts.

International class karts were down on numbers at Manfield. Ryan Urban had a successful shakedown in his new International class package which looks and sounds great. Urban and Andrew Hall both put on a good show for the spectators especially in race 4 with multiple lead changes and some high speed bravery. They will both have one eye on the nationals in a few months so even though the lap times weren't that sharp last weekend one would

expect there's plenty of room to move before then in the engine tuning department. The 2016 Nationals will be spectacular with a number of drivers more than capable of winning on the day. You'd be a brave man to bet the title doesn't go to someone new this year with realistic challenges to come from Andrew Hall, Ryan Urban, Tony Gestro, Alex Geary, Paul Dunlop and Karl Wilson who all have top notch gear and are pretty handy pedlars.

Wayne Sproston, Tony Gestro and Chris Simmonds were the only entries in the 250cc single cylinder divisions with Mike Simmonds pulling out due to chassis problems on the practise day. Gestro took out the National class from Chris Simmonds using a new engine that he's got his hands on. By all accounts it's very fast so we'll have to wait and see what his plans are come Nationals time. He's the current title holder so it will be interesting to see which class he enters come nationals later this year. Wayne Sproston had an engine issue which cut his day short and the class has been down on numbers recently but things might change at the next round with guys possibly giving the gear they want to run at the nationals a shake down before the big day.

DD2 class was also down on numbers as is usual for Manfield. Why don't people want to travel? Make a weekend of it! Manfield always provides the closest racing of any track in the country. For the sake of a few hours drive, it's well worth the effort. Brent Murgatroyd and Kevin Geard couldn't be separated on the points table with 2 wins and 2 second placings each with amazingly close racing yet again. Derek Tunnicliffe rounded out the podium.

The series takes a 2 month break over the heart of winter to resume again back at Manfield in August.

#### LAP RECORDS TUMBLE AT WPKA GOLDSTAR MEETING AT TODD ENERGY RACEWAY

The cool weather and a pristine track made for exceptionally fast racing at the Todd Energy Raceway on Sunday, as 52 drivers battled for ascendancy at the Trophy presentation round of the Bayleys WPKA Goldstar Series. The first track record to fall was in the Cadet ROK category with current 1NZ Mason Potter of Auckland going under the existing record before fellow club member and 2NZ Kaden Probst set the new record at 31.430s. Potter went on to win the weekend with Probst in 2nd. Local drivers Harris Krogh and brothers Euan and Hamish Dwyer finished ninth, tenth and eleventh

respectively. The GP was won by Liam Sceats of Auckland, followed by Potter and Logan Manson of Palmerston North. Krogh was seventh, Euan Dwyer eighth and Hamish Dwyer ninth.

The Vortex Mini ROK class was filled with talent and was eventually won by Goldstar Series Champion Jackson Rooney from Manawatu, with Thomas Boniface pushing him hard all day. After scoring two race wins Boniface was not able to head off Rooney, short by 1 point. Hawera's Logan Smith had a blinder of a meeting, showing great pace to bring his Tony Kart to fourth overall ahead of some very good drivers. Smith is really beginning to assert himself in the class and will be one to watch. Boniface and Rooney battled again in the GP, Boniface coming from the rear of the field to second place lowering his own track record which had also been broken earlier in the day. Smith finished the GP in fifth with another great performance.

Series Champion and 3NZ Rianna O'Meara-Hunt (Wellington) was keen on a clean-sweep of the Junior Rotax series, but had her work cut out to do so. She raced hard against Tom Greig (Manawatu) over the five heats, ultimately scoring one race win more than Greig and line honours for the class. The track record changed hands a few times during the event with Greig finally securing it in the GP along with the race win.

Manawatu youngster Jacob Cranston took the Rotax Max Light field to task but was too quick scoring four race wins over Ethan Hourigan of Wellington for the meeting victory. James Higgins from the Manawatu was third with Hawera's Jonathan Dwyer fourth, finding some blistering pace, also claiming the track record which had been set 11 years prior.

The Rotax Max Heavy class was very hard fought, local Campbell Jamieson scored the opening heat race win. Hawke's Bay master Zach Zaloum was too good however, winning the remainder of the heats and claiming a new track record in the process. Jamieson was second overall, Jayden Smith of Hawera was fourth and Francois Rautenbach brought his kart home in fifth place.

The local drivers were no match for the three visiting Clubsport 120 contenders leaving Garth Lacey, Richard Krogh and Roger Pepperell fourth, fifth and sixth overall respectively.

The Senior GP was won by Ethan Hourigan followed by Jacob Cranston and James

Higgin. Jayden Smith was fourth in the GP with Jonathan Dwyer seventh.

A very successful day of competition also for the Tony Kart NZ team with their drivers securing wins in the Vortex Mini ROK, Rotax Max Light and Rotax Max Heavy classes and four of the five track records claimed by Tony Kart chassis's (Thomas Boniface, Tom Greig, Jacob Cranston and Jonathan Dwyer). Local Tony Kart dealer, Maurice Frost of Supreme Kart Supplies, was very pleased with the results confirming the Tony Kart brand as a leading kart chassis for any driver.

**Special thanks goes to Steve and Donna Boyde for their contribution to making Goldstar such a successful event.**

**For those who are unaware, we hosted a Jake from the Make-A-Wish Foundation who had an outstanding day. Thanks to Lauren Thompson for not only ensuring this young man had such a great experience, but also putting together a package that made our club proud. Thanks Lauren!**

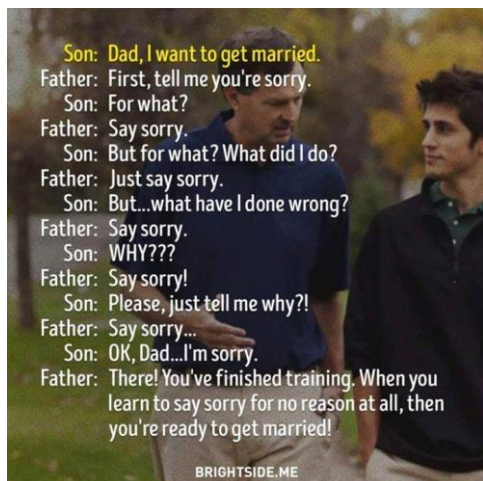

**22  
Days until  
National  
Schools**

- We are also looking for help in a number of roles over the course of National Schools week. If you have a few or many free hours please make yourself known to the committee.

### Club News

- We farewelled the Taylor family at our last clubday as they move on to greener pastures – a new sharemilking position in the Manawatu. All the best from us here in the 'Naki.
- Change of Guardian Indemnity  
This form must be used to transfer guardianship of a minor from the minor's Legal Guardian to a Stand-In Guardian. The form must be signed by both the Legal Guardian and the Stand-In Guardian and presented to the event Race Officials at documentation.
- Countdown for Aaron and Gracies big day. I found this Aaron and thought I would dedicate it to you.

**Working Bee: Sunday  
3rd July @ 9.00am. See  
you there.**

*Thanks very much Hirepool New  
Plymouth!*

### Presidents Report – Robert Boniface

*Hi everyone,*

*Still waiting for winter to arrive, not sure what's going on but it's been pretty good really. Already had the shortest day of the year so now we start tracking toward the day the big fat guy arrives. Club day this weekend and we're anticipating a number of out-of-towners to turn up to gain some valuable wet weather testing under their belt. With less than three weeks until the Todd Energy 2016 KartSport New Zealand National Schools' Championships the track will be in hot demand.*

*A timely reminder to all members that your key is not to be loaned out to anyone who wants to do some testing. There is a proper process for people to follow if they want to use the Todd Energy Raceway. We're already aware of one or two who have loaned keys to others to test, this is your last warning. If someone wants to test, they MUST arrange a key through Maurice Frost at Supreme Kart Supplies and they MUST complete the indemnity form and they MUST follow our track procedures.*

*Let's be VERY CLEAR...if anyone is found testing on the track without following the process I just mentioned and they have entered the Todd Energy 2016 KartSport New Zealand National Schools' Championships, there is a better than good chance that they may be refused entry to the event as a result. We don't want this, so please ensure you all follow due process to keep it fair for everyone else. Honestly, two days of testing prior to the event starting is plenty...if*

*you haven't got it sorted by then...you're probably going to struggle.*

*On the subject of Todd Energy 2016 KartSport New Zealand National Schools' Championships, I'd like to take the opportunity to thank all our sponsors and supporters as well as the hard working team who have been working tirelessly behind the scenes organising the event for the club. We are indebted to you all for helping us stage the NZ Schools.*

*We are still looking for a race secretary. Please....we need a volunteer to be our new race secretary, so make yourself known!*

*The AGM is coming up in August and there will be a few existing members standing down, including me. I strongly encourage you to consider standing for committee so please let someone know you are keen prior to the AGM in August....at the track prior to the Enduro meeting commencing. Even pop along to a meeting or two to get a feel for how it works.*

*The Championship round for WPKA Goldstar was a great event, special thanks to Lauren Thompson for organising a great experience for Jake from the Make-A-Wish Foundation, this young man had a great day and there was plenty of commentary of the great job she did. Thanks also to Steve and Donna Boyde, Donna Boniface, Lesley Allan, Karen Jury and Wendy Burroughs. Great to see Chrissy de Ridder at the Todd Energy Raceway as well!*

*Good luck to all the KartSport Taranaki drivers who have entered the Todd Energy 2016 KartSport New Zealand National Schools' Championships I look forward to seeing our boys on the podium! It's also the final round of the NZ ROK Cup, so good luck to everyone.*

*Cheers*

*Robert*

**Jokes**

Can a kangaroo jump higher than a house? Of course, a house doesn't jump at all.

A man asks a farmer near a field, "Sorry sir, would you mind if I crossed your field instead of going around it? You see, I have to catch the 4:23 train."

The farmer says, "Sure, go right ahead. And if my bull sees you, you'll even catch the 4:11 one."

**Dammit...**

Really had my heart set on waking up rich today.

Knock, knock.

Who's there?

Canoe.

Canoe who?

Canoe help me with my homework?

**Bahahahahaha!!**

**I see that you haz cheese sammich....**

**...and I has NO cheese sammich.**

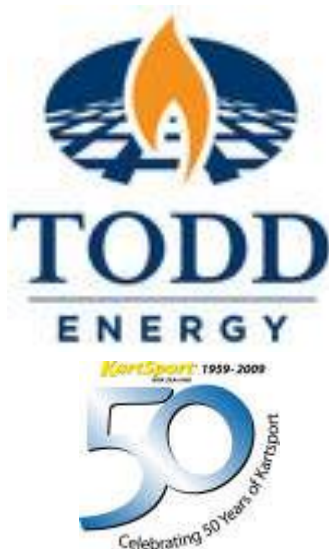

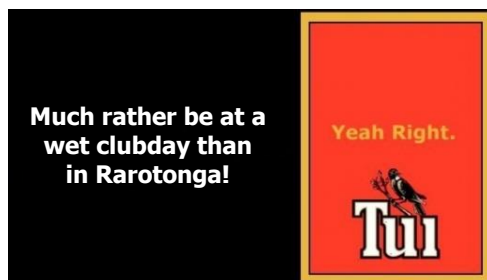

Two factory workers are talking. The woman says, "I can make the boss give me the day off." The man replies, "And how would you do that?" The woman says, "Just wait and see." She then hangs upside down from the ceiling. The boss comes in and says, "What are you doing?" The woman replies, "I'm a light bulb." The boss then says, "You've been working so much that you've gone crazy. I think you need to take the day off." The man starts to follow her and the boss says, "Where are you going?" The man says, "I'm going home, too. I can't work in the dark."

An elderly couple are in church. The wife leans over and whispers to her husband, "I just let out a long, silent fart. What should I do?" The husband replies, "First off, replace the batteries in your hearing aid!"

Mr. and Mrs. Brown had two sons. One was named Mind Your Own Business & the other was named Trouble. One day the two boys decided to play hide and seek. Trouble hid while Mind Your Own Business counted to one hundred. Mind Your Own Business began looking for his brother behind garbage cans and bushes. Then he started looking in and under cars until a police man approached him and asked, "What are you doing?" "Playing a game," the boy replied. "What is your name?" the officer questioned. "Mind Your Own

Business." Furious the policeman inquired, "Are you looking for trouble?!" The boy replied, "Why, yes."

The following are compliments of David Sera's Facebook page so I thought they may become a regular feature in our newsletter....some of them are brilliant and some of them are very... very relatable.

## Do you have what it takes to drive a real racing Kart?

Do you have a young person bugging you to try karting?

Our Cadet kart is suitable for 6-12 year old drivers.

The 120cc kart suits drivers 12 to 80 years old....

Come and experience the thrill of driving at speed at the Todd Energy Raceway, you will leave with a smile!

It only costs \$60 to climb aboard an 85cc Cadet or 120cc Senior racing kart and turn some laps at the Todd Energy Raceway. This includes an introduction, full safety briefing and 20 minutes on the track!

**Bookings are essential...contact the club to be "buddied-up" for an introductory session.**

If you feel karting is for you, the kart is also available to hire for a full race day sortie, with support and mentoring from an assigned club member once you've had an introductory session.

**IT DOESN'T GET MUCH BETTER THAN THAT!**

All race gear will be provided and use of the kart is by appointment only. Contact us now by email to book your session!!

**What a perfect gift for the petrol-head of the house!!!**
