Usually the only motorsport that has our family transfixed is watching either Indy Cars or the V8 Supercar series. Well Easter weekend proved to be another epic motorsport weekend as we watched the livestream of our very own National Sprint Championships. This is the event that all kart drivers dream of winning.

We saw races and podiums won and lost. Titles gained. It was truly great watching. This is the first Easter in 6 years that we spent at home and not at this event ourselves and it surprises me to admit that we missed the live drama that goes with the Nationals competition.

Taranaki was represented by Aaron Marr and contested for top placings in 3 classes. Aaron collected silverware for 6<sup>th</sup> place in the Open Class, 5<sup>th</sup> place in Senior 100cc Yamaha and 4<sup>th</sup> in a very classy field of KZ2 drivers. You did a great job Aaron and while you didn't quite make the podium, it wasn't because we weren't doing our part shouting at you through the television screen. I am sure you have a few stories to add to next month's issue of Kartorque.

Interestingly, we thought we would only watch one or two classes, but as the days rolled out we found ourselves glued to the livestream watching our friends contest National placings. A huge appreciation and congratulations goes to the Invercargill club who put on what seemed to be an

incredible event and even managed to order up the right weather conditions. Unlike us sitting at home here in the 'Naki where rain played a part all through the weekend.

One thing that did stand out while watching the event were the number of families that this sport attracts and holds on to. The Hamilton family have had 36 National titles between them, and the Kinsman Family (Michael, Mathew and Daniel) have amassed 26 National titles across 2 generations and one more now on the way. Both Kinsman brothers are level pegging for titles at 7 apiece.

And not to mention our very own Frost family, and while Kane wasn't racing this weekend we still managed to catch a glimpse of both Maurice and Kane on the livestream at times running through the pits. I am sure there are a few stories that they could add to the collection to give us insight into behind the scenes at our National event.

There really is not one driver that we could single out over the weekend, there were great battles in each class. And we really do appreciate the hard work that goes into getting to our National events let alone achieving a podium. It is not only the dedication of the driver, there is also the expectations of the pit crew from the

spanner spinners to the morale supporters, mums, dads, siblings, grandparents and friends. While the track claimed a few casualties, so did the tech shed.

Congratulations to all those who found success at the KartSport New Zealand National Sprint Championships 2017!

- We still need somebody to take on the role of Race Secretary. Karen Jury has been doing the job as a fill in up until the AGM this August. If you're thinking you want to do something to help the club. You get the best view. You're out of the weather. Warm and dry in winter, cool in the summer – Yes we have air conditioning in the chook house! You don't need to be a computer specialist, but you do need to know your way around a computer in general. We can teach you everything else. Bronwen Pepperell has volunteered her time, so you will always have a partner there – makes the day much easier and far more interesting. I have found it surprisingly good! Let me know if you're interested. We can show you what's involved at a club day.

**Presidents Report - Mike Jury**

Hi all,

It was good to see you all at last months club day. Not a bad turnout considering the weather forecast and having a few people away at other events. Big thanks to Malcolm and Rob for helping out as officials so we could still run the meeting. We would have had to cancel the meeting without them. Also thanks to Ken & Marie Kyte who are helping us at club days and training to be officials for KartSport, and Jed for being our starter. I'd also like to thank Vanessa Dwyer who has trained as a first aider for our club days. I really appreciate all the people who give up their time so we can race.

We are having a working bee on Anzac Day, so hopefully we will get a good turn-out. We only need a couple of hours of your time from 10am to do a bit of a tidy up around the place before our next club day.

Our next club day looks like it will be a very busy day with up to 30 extra out of town ClubSport 120 drivers visiting. Should be a great days racing. I am really looking forward to seeing large fields of ClubSports racing. Thanks to our local guys who are organising the visitors coming to race.

Please note we will be starting the day early so we can get through all the racing so make sure you're at the track early so we can get all the entries done and racing underway on time.

I'll see you all at club day.

Thanks,  
Mike

## Woman's Ass Size Study

There is a new study about women and how they feel about their asses, the results were very interesting.

10% of women think their ass is too skinny.

40% of women think their ass is too fat.

50% say they don't care, they love him, he's a good man and they wouldn't trade him for the world.
